Writing.

Suddenly I saw a person. He was very far from me. I ran to him, but I fell on the ground. I was lying and thought, "Why I came in the mountains?" In five minutes I stood up and didn't see this person. "He disappeared" said I. In a hour it will be dawn. I was going straight and hoped that I can find somebody. Suddenly I heard a strange sound. Maybe it is that person. I came in that place. There is nobody. "I am freezing, I am very tired and I don't know what to do. I love my family. I don't want to die. I can find the way to my home." said I. I heard ~~the~~ a sound again. "What is it?" asked I. The sound became very quiet. I hardly didn't hear ~~nothing~~ nothing. It looked like a voice. In that moment I ~~was~~ crying. I don't know where can be people. I saw a shadow. It was my dad. He found me. I was happy. I didn't die. This day I remembered for the rest of my life.

One day holidays I decided to go exploring on my own in the mountains. The time passed quickly and by late afternoon I was tired and hungry. "Maybe I'll find a village soon," I thought. But there was nothing. As it started to get dark, I realized I was completely lost. I could easily die, I thought, on this cold mountain. Suddenly I heard some noises in the bushes, followed by something I would rather identify as a voice. I slowly approached the bush and ~~looked~~ while kept looking for the source of a noise. At one hand, I was happy, since it could mean that I've found a village or something. And at another one... Why would you hide if you stumbled upon a stranger? I tried keeping bad thoughts further away.

Crisp Something moved behind me. You can't imagine how scared I was at that moment. But I felt that I had to turn, otherwise something unpleasant would happen. And I turned. Three little humans climbed on a log and sat at each others heads. The one at the top immediately tried to hit me with a club, but failed.

"What?!" I screamed. "What are you?" The one who tried to hit me said: "We are dwarfs, and our existence is ^{in a} secret from you, humans. Now we can't let you go, you understand?" If not the tree fellers, we wouldn't even meet this human," said another. I quickly realized they encountered some ecological problems and how are in a bad situation. "Listen, I see you are having problems with tree harvest. I can help you if you just get me down." They looked at each other for a minute and said "Okay, we will, but promise you will ~~not~~ ^{not} ~~leave~~ ^{leave} you ^{after six months} saw there." I agreed.

After two hours I already got down from the mountain. And they became an ecologist. "Keep the nature clean and healthy, or they gnomes will find you"

I remembered that one man said^{to} me, that if I had lost myself in their mountains, I should say "the greatest mountains God, can you help me?" for three times. I ~~again~~ said it and suddenly appeared fascinating fire ball. It was very small and quickly. I was afraid of it. The ball was flying around me, when I just stayed and looked at it. After it flew behind me. Well, I didn't have any other choice and I went with the ball.

We were going for hours and I was very and very tired. I wanted some sleep. On my lying on snowball started to beat me and fly near my face forbidding me to sleep. I nearly had fall asleep, but I suddenly heard^a strange noise. It was a bear. I ~~quickly~~ ^{was hurry to} rise and the ball and I ~~was suddenly~~ quickly moved in^{an} unknown direction.

We go in village in^{an} hour and I was very glad. I wouldn't tell anyone about it.
